Show your research: Poster session and awards

In addition to the extensive programme, plenty of time is provided to present your own research or organisation with a poster or at a stand and to network with colleagues.

Are you a student or postdoc? Enter the poster competition.

Posters from students or postdocs in the research area of global change will be awarded by a jury: The winners will be honoured with a travel award of CHF 1000.- each, which allows them to attend an international conference in the current year. The poster awards are sponsored by ACP, SAGW and ProClim.

Terms to attend the contest

Posters must be submitted as a PDF file by e-mail by 22 March 2020. Former winners may not enter the contest.

Posters can be submitted in the following categories:

Geosphere · **Biosphere**

Atmosphere · **Hydrosphere**

Human Dimensions · **Sustainability**

For further information check our [event website](#).

The Swiss Global Change Day is the once a year event organised by ProClim to look beyond the horizon of climate and global change research with well-known experts, covering a broad range of topics. Benefit from this 'marketplace' event: Plenty of time is provided to present your own research or organisation with a poster or at a stand and to network with colleagues. The most attractive and comprehensive posters submitted by students or postdocs will be honoured with a travel award of CHF 1000.-.

Location

Freies Gymnasium Bern · Beaulieustrasse 55 · 3012 Bern

Please take bus no. 11 direction 'Neufeld P+R', get off at the 5th stop 'Brückfeld' and cross the street. It is the big red building in front. The trip takes about 15 minutes from the main station.

Please note: This bus has a new departure point from the main station and runs a shorter route. Check the timetables.
